

GRADUATE RECRUITMENT

The Shell Companies in Nigeria (SCiN), with its purpose to power progress, have a long and lasting impact in Nigeria's energy sector landscape. SCiN is part of the Shell Group. Shell is a global group of energy and petrochemicals companies with over 90,000 employees globally in more than 70 countries. We use advanced technologies and take an innovative approach to help build a sustainable energy future.

The Graduate Recruitment within Shell follows a standard global methodology used to attract, select, and place our best talent within the various Shell businesses. For 2022, **we are seeking graduates for the following areas:**

- Engineering (Chemical, Mechanical, Civil)
- Geosciences and Geoinformatics
- Commercial (Economics, Finance, Marketing, Human Resources)
- Contracting & Procurement (Logistics/Procurement, Supply Chain)

As today's changing world presents both opportunities and challenges, we need the brightest minds with passion to help solve them and we are looking for qualified graduates to fill these various technical and non-technical positions within our organization. Are you interested in the Graduate program?

You are welcome to visit our career site www.shell.com/careers or www.shell.com.ng.careers for vacancies matching your qualifications.

Submitting more than one application will lead to automatic disqualification of all your applications.

Application window closes on Thursday, 21st July, 2022

Scam Alert:

Shell does not request monetary payments (e.g. insurance policy, visa/work permit, HUET or HSSE training, special job offer, etc.) for employment. Individuals who are interested in opportunities within the Shell Group will find open positions listed on the company websites www.shell.com/careers or www.shell.com.ng.careers when available.

Shell does not make use of employment forms; neither does the Company process CVs that have not been submitted through the proper websites: www.shell.com/careers or www.shell.com.ng.careers. All successful applicants who receive an offer of employment from Shell would have been required to go through a formal and transparent recruitment process.

To learn more about Shell's recruitment process please visit our website www.shell.com/careers.
